Public Services Help Ensure Our Quality of Life

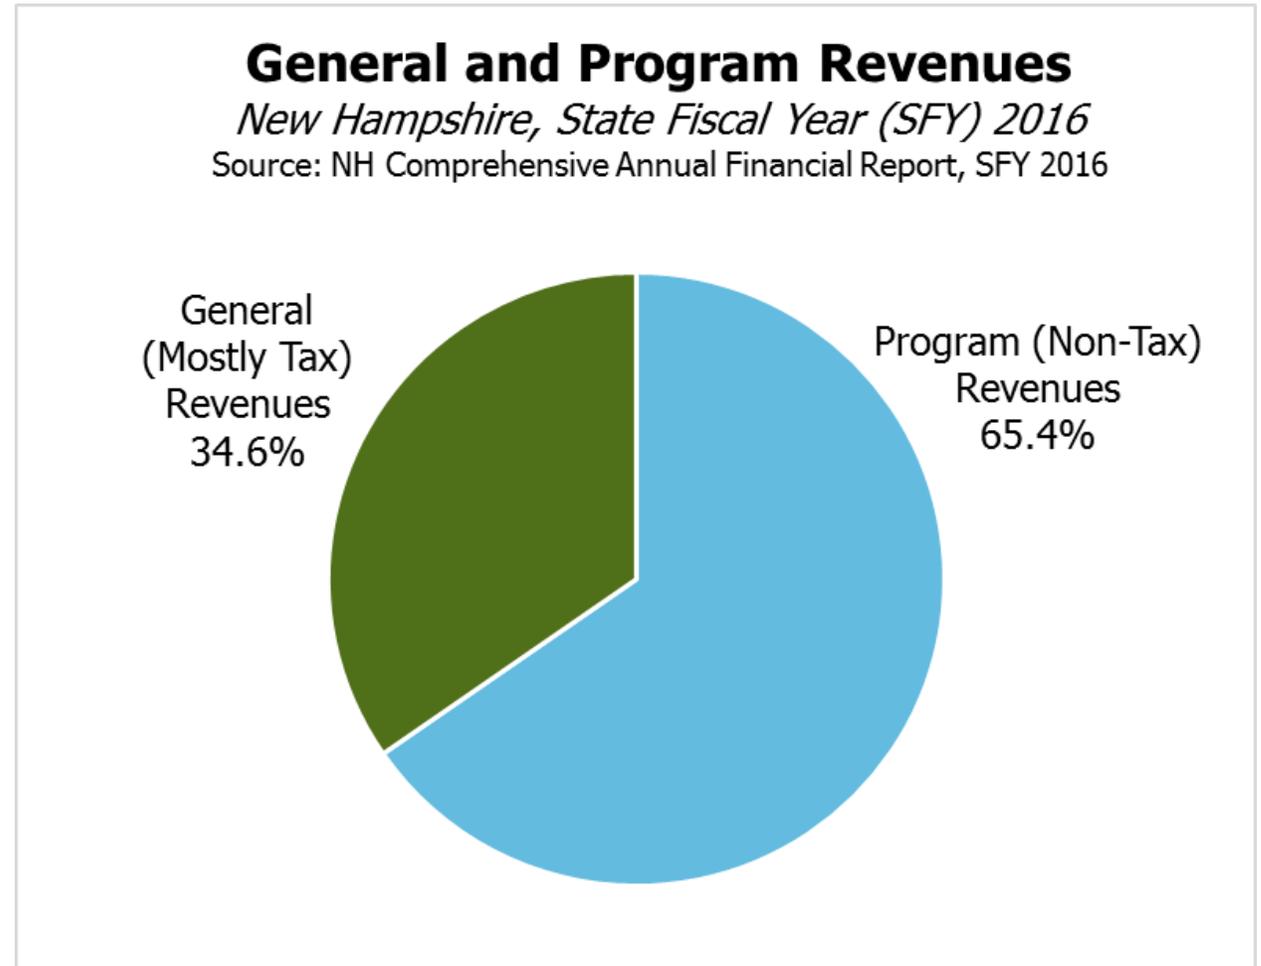

Why is Revenue Important?

- Pays for services that help make our communities stronger
- Tangible and direct:
 - *Roads and bridges*
 - *Police, fire, and emergency medical services*
 - *Education (including primary, secondary, and public higher education)*
 - *Public health services and health insurance services for those in need*
 - *Cleaning trash, clearing roads*
 - *Parks and preserves, including federal, state, and local protected areas*
- Less tangible, but very important:
 - *Benefitting from an educated workforce and public*
 - *Protecting citizens from harm and environmental degradation*
 - *Long-term investments, with positive returns, made collectively*

Why “Revenue”? Don’t You Mean Taxes?

- Not all government revenue comes from taxes
- Collections through fees, charges, interest, and programs that sell products or services
- Federal programs, grants, and aid supply a large amount of revenue to the State government directly, also may provide funding for local government initiatives, support for other organizations

What Revenue Are We Considering?

- The federal government collects revenue that ends up in State coffers, but that is not a focus here
- State Revenue: money collected through New Hampshire state taxation and other sources, including grants from the federal government
 - State tax revenue is usually the least restricted revenue, with federal grant programs and specific State fees more likely to have “strings attached”
- Local Revenue: money collected by New Hampshire counties, school districts, and municipalities (local governments), primarily through property taxes

State Revenue – Two Primary Business Taxes

Business Profits Tax

- Tax based on gross business profits, adjustments (BET), and apportionment
- Tax base likely about \$4.5 billion
- Funds General Fund and Education Trust Fund
 - 1.5 percentage points of the total rate to the Education Trust Fund
- Rate reductions underway:
 - 8.5% in 2015, 8.2% in 2016, 7.9% in 2018 (trigger), 7.7% in 2019, 7.5% in 2021

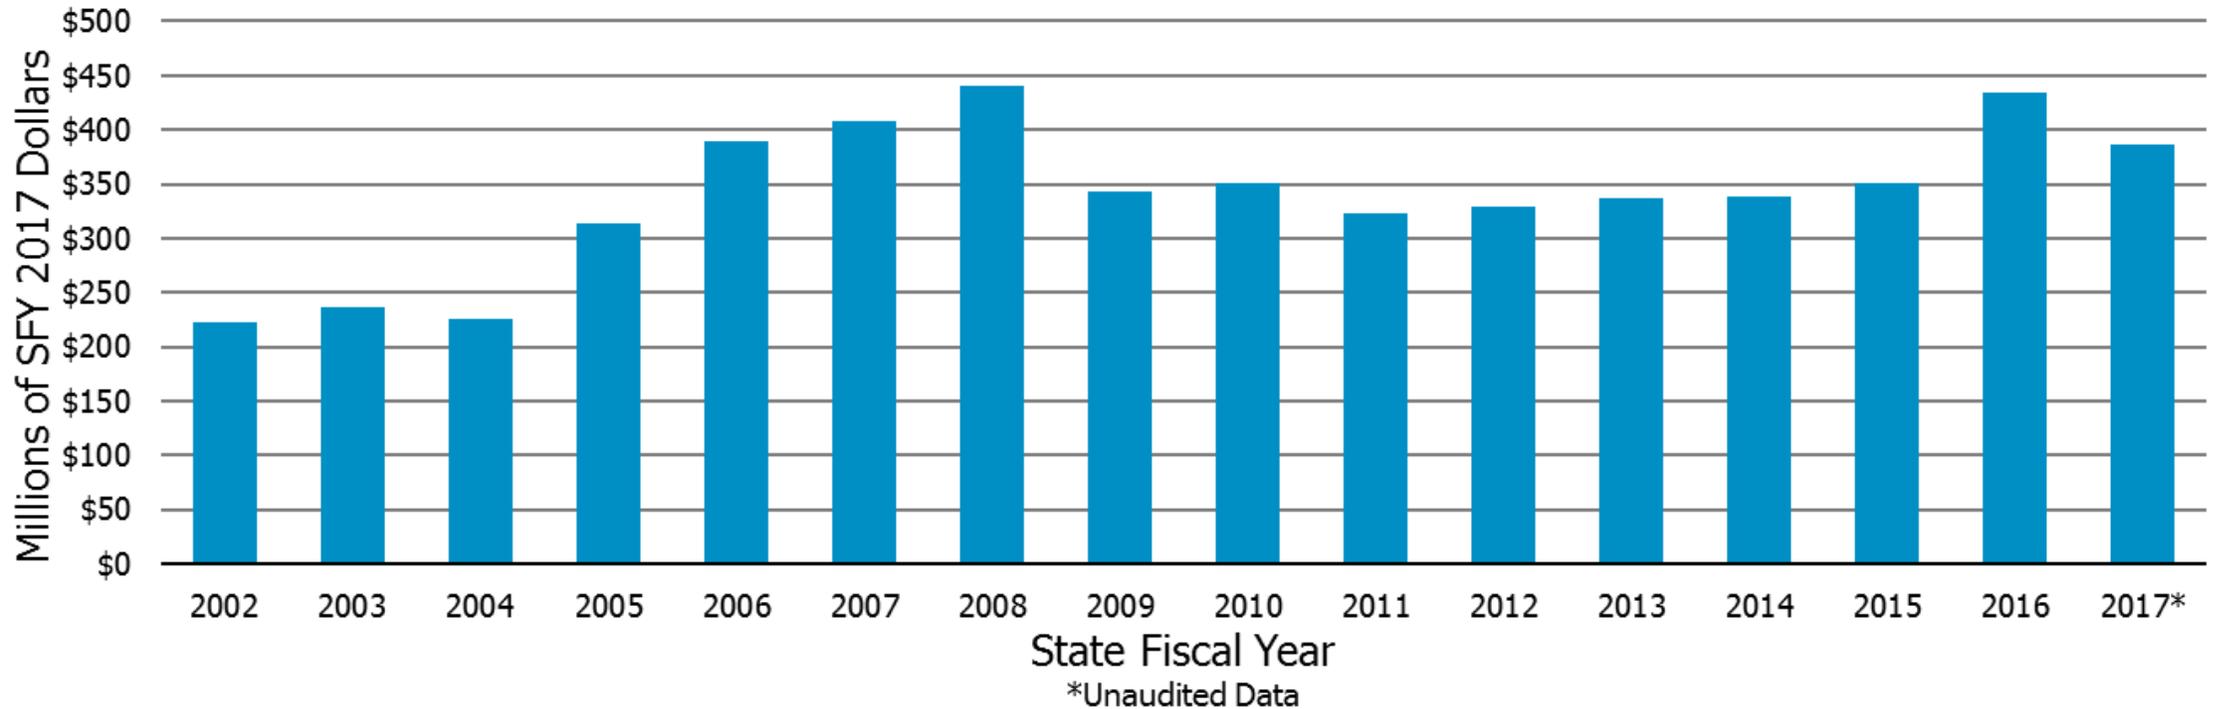

Business Enterprise Tax

- Relatively unique among state business taxes, based on compensation, interest, dividends paid or accrued, adjustments, and apportionment
- Broader tax base, likely about \$35 billion
 - Funds the Education Trust Fund (0.50 percentage points of total rate) and the General Fund until rate phase-down
- Rate reductions underway:
 - 0.75% in 2015, 0.72% in 2016, 0.675% in 2018 (trigger), 0.60% in 2019, 0.50% in 2021

State Revenue – Other Taxes

Medicaid Enhancement Tax

- 5.25 percent of charges hospitals make for services, \$212.5 million in SFY 2016
- Revenues to Uncompensated Care and Medicaid Fund, leverages federal dollars

Interest and Dividends Tax

- Individuals pay 5 percent of interest earned (over at least \$2,400 per individual) from interest payments or dividends from certain stock ownership
- Revenues go to General Fund, \$89.3 million in SFY 2016

Communications Services Tax

- 7 percent on two-way communications services, not internet, declining revenue

Utility Property Tax

- \$6.60 per \$1,000 levied on machinery, real estate, structures for electricity, natural gas or petroleum distribution owned by regulated utilities

State Revenue - Enterprise Revenue

Liquor Commission

- Operates State liquor stores that are sole source for liquor and spirits, while certain wine may be sold from licensed businesses and beer is taxed
- Pays for its own operations, the Alcohol Abuse Prevention and Treatment Fund, and the General Fund
- \$665.7 million in SFY 2016 generated from sales and services, \$4.5 million from licenses; General Fund received \$139.9 million plus \$12.9 million from beer tax

Lottery Commission

- Sells lottery tickets and oversees taxed racing and charitable gaming
- \$308.6 million generated in SFY 2016, \$79.2 million to Education Trust Fund

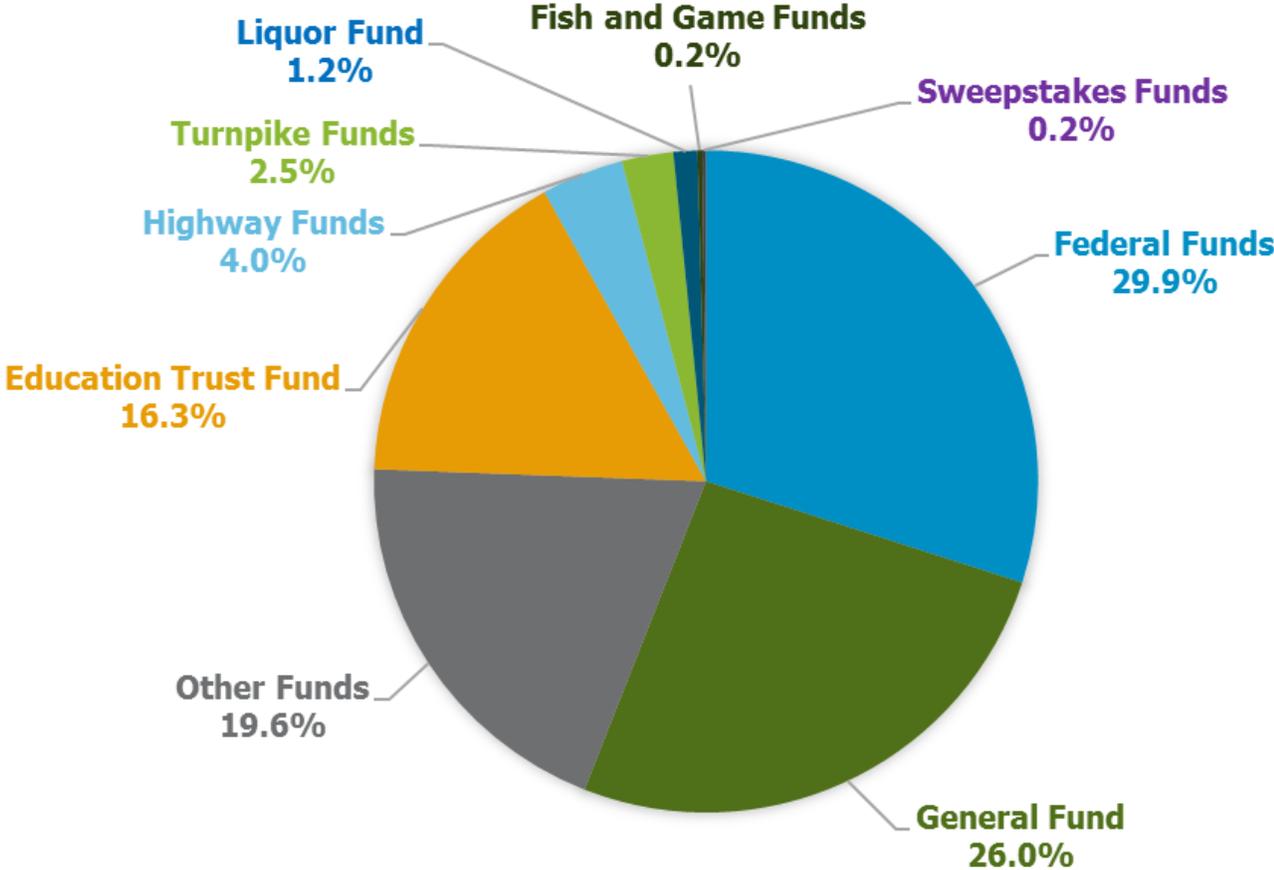

Turnpike System

- Tolls users of three turnpikes to operate, construct, and maintain them
- \$130.7 million from tolling operations in SFY 2016

State Revenue - Federal Funds

State Revenue – Federal Funds

Medicaid

- In all funds (State on-budget, State off-budget, federal), about \$2.0 billion in SFY 2016 was Medicaid, approximately 29 percent of all State spending
- Recent proposals at the federal level would have significantly reduced federal contributions, which are a 50%-50% match or better for the State

Other Program Areas

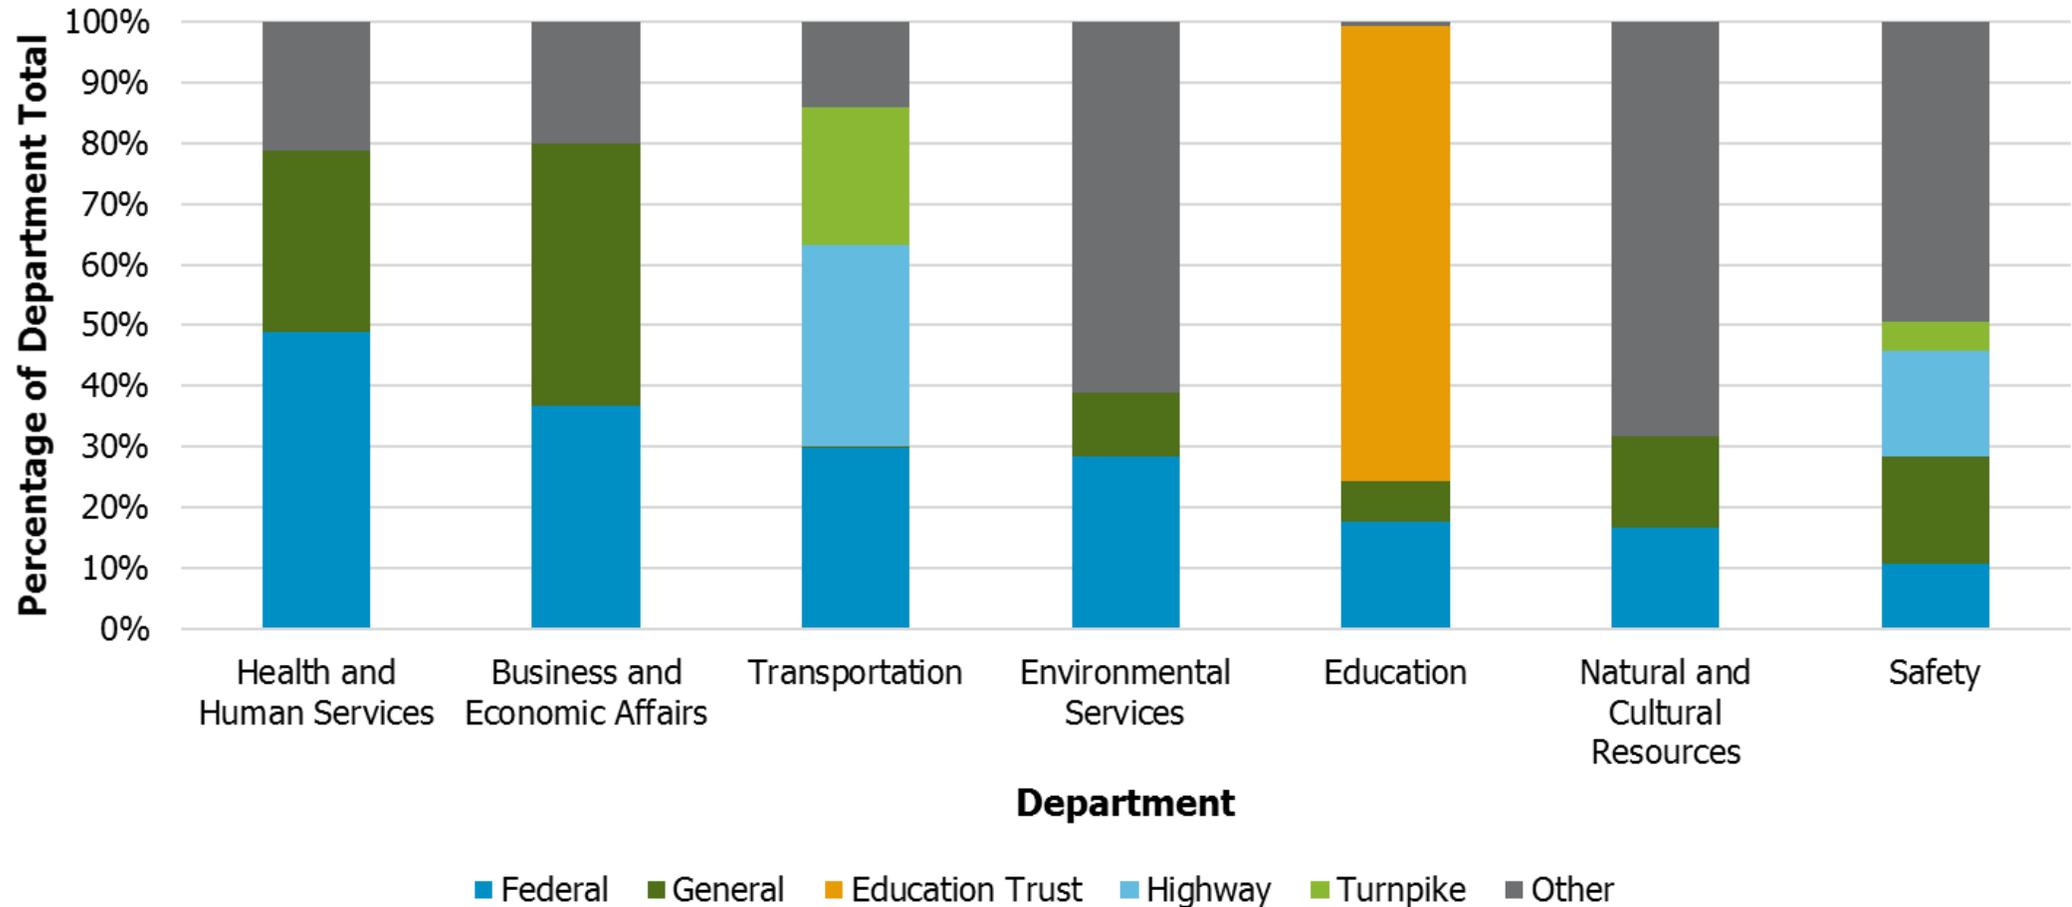

- Federal transportation aid
- Education aid – special education, school lunch program, professional development
- Water pollution and infrastructure funds, clean and drinking water programs
- Temporary Assistance for Needy Families
- Food Stamps/SNAP; Women, Infants, and Children Nutrition Program
- Veterans' care aid
- Low Income Home Energy Assistance Program, which funds the State Fuel Assistance Program (\$28.4 million in SFY 2018 State budget)

State Revenue System - Strengths and Weaknesses

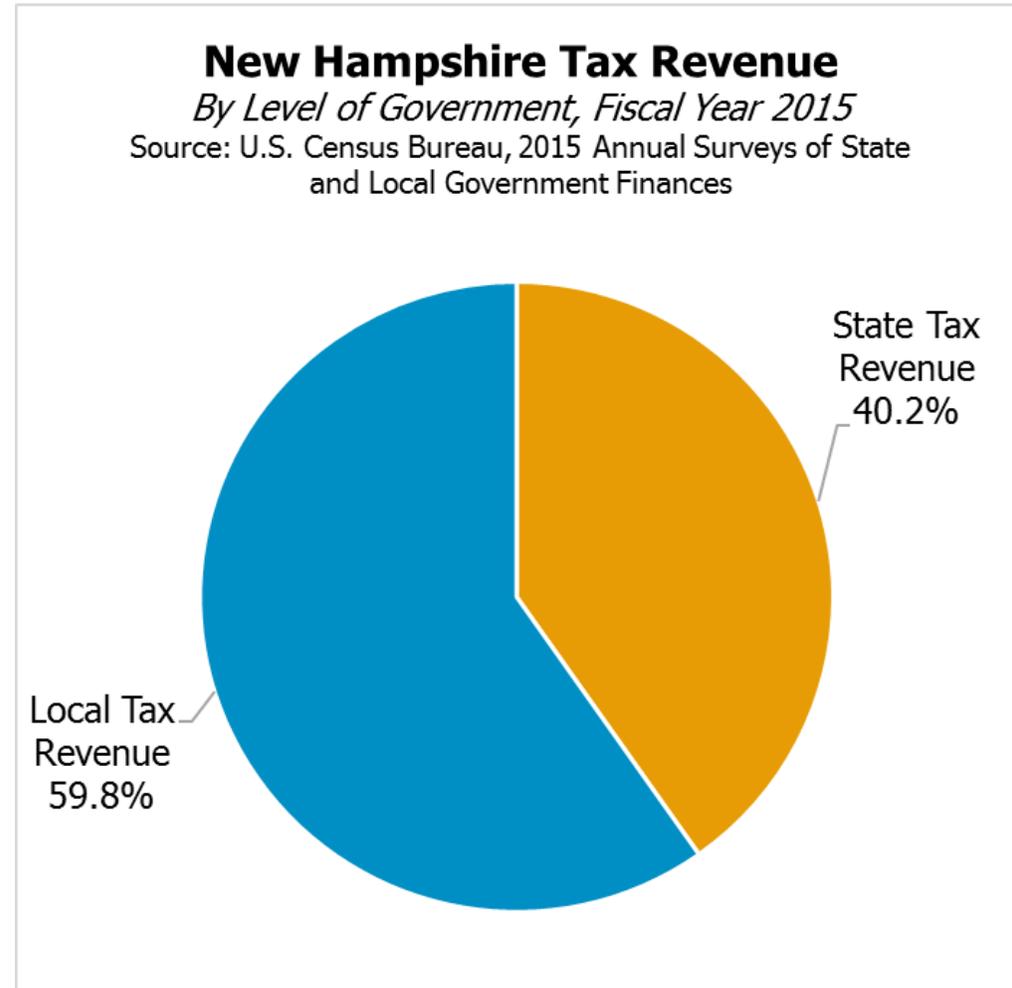

State Revenue System - Strengths and Weaknesses

- Reliance on many revenue streams, most with narrow bases
- High importance of non-tax revenue sources, such as liquor and lottery sales
- Fortunes do not rise or fall with changes in a single revenue source, adds stability to the revenue system relative to other states
- Narrow bases more likely to disappear with changing economy
- Policymaker flexibility might be more limited because of narrower bases, large or many adjustments may be needed to react to changes
- Certain revenue sources likely to be declining over time, such as the Tobacco Tax and the Communications Services Tax
- Changing demographics may complicate sustainability
- Reliance on federal sources results in limited options if funding from the federal government is reduced

Local Revenue System – Local Governments

Local governments includes:

- **County governments**
 - Sheriff's departments
 - County nursing homes and long-term care
 - County jails
 - County attorney
 - Register of deeds office
 - Unincorporated townships
- **School districts**
- **Municipal governments (town and city)**

Local Revenue System – Sources

- Grants from other levels of governments (state and federal)
- Fees, grants, or gifts
- However, only viable tax option is the property tax

The Local Property Tax

- 99 percent of all local tax revenue
- 60 percent of all local revenue, including grants from State and federal government, school lunches, etc.
- \$3.1 billion dollars in tax year 2016
- About 90 percent of property taxes paid in NH are Local taxes

State Funding For Local Governments – Recent State Decisions

- Much of the on-paper dollar value is in Adequate Education Grants, less when locally-raised Statewide Education Property Tax is removed
- Adequate Education Grants modified, stabilization aid to decline 4 percent annually starting in SFY 2017 and continuing for 25 years
- The school building aid program has not accepted new projects since SFY 2010 with one exception
- Since SFY 2013, State contribution to local teachers, police, and firefighter retirement costs has been suspended, was 35 percent in SFY 2009 and earlier
- Meals and Rentals Tax distribution to municipalities set at 40 percent of revenue in law, but formula to reach that percentage has been suspended
- Revenue sharing program has been suspended since 2010
- Environmental grants for drinking water and wastewater facilities and landfills have been declining in aggregate
- Highway and bridge aid funding has fluctuated over time, recently an influx of one-time funds

A Connection Between Local Property Tax Increases and State Budget Decisions?

- Local property tax rates depend on many factors
- But a logical connection exists
- And federal budget decisions could affect your local property tax bill
