FISCAL RECOVERY FUNDS PERMITTED USES

Flexible Coronavirus State Fiscal Recovery Funds can be used to:

• Respond to the public health and economic impacts of the pandemic
• Provide premium pay for essential workers
• Replace lost public sector revenue
• Invest in water, sewer, and broadband infrastructure
• Provide services to “impacted” households or communities (generally, below 300 percent of the Federal Poverty Guidelines, or experiencing certain conditions or hardships or qualifying for existing programs)¹

U.S. Treasury Department:

• “...encourages recipients to consider funding uses that foster a strong, inclusive, and equitable recovery, especially uses with long-term benefits for health and economic outcomes.” ²

• Fiscal Recovery Funds can help address “…systemic public health and economic challenges that may have contributed to more severe impacts of the pandemic among low-income communities and people of color.” ²
