

The New Hampshire Fiscal Policy Institute’s premier publication, *New Hampshire Policy Points*, highlights areas of key policy concerns in New Hampshire, including Populations and Demographics, Income and Economic Security, Economy and Jobs, Housing, Health, Education, Broadband Internet, Transportation, and Funding for Public Services. With the aim to provide a broad and informative resource on New Hampshire for policy makers and the general public, *New Hampshire Policy Points* lifts up the most pressing challenges facing Granite Staters and public policy opportunities to invest in a more equitable and prosperous state.
