ABOUT NHFPI

Established in 2009, The New Hampshire Fiscal Policy Institute is a nonpartisan, independent research nonprofit that examines issues related to the State budget, the economy, policy decisions, and the financial security of Granite Staters, centering on issues relevant to low- and moderate-income people and families.

NHFPI promotes opportunity and economic well-being for all New Hampshire residents by producing and disseminating independent research and analysis to inform public policy. Learn more at www.nhfp.org.
